Dear Sir/Madam,

In response to the December 02<sup>nd</sup> job announcement on the [www.ionecloud.com.kh/contact-support/](http://www.ionecloud.com.kh/contact-support/) website. I am writing to apply for the position of an **Internship**. I believe that my education background, experiences, and commitment will fit well to the position.

Based on the school project and course work at Passerelles Numériques Cambodia (PNC), they can strengthen my IT skill such as Microsoft Server, Cisco, Linux, Security, Phone system, Firewall, MikroTik, Network Infrastructure, Operating System, and some basic of programmer such as HTML, CSS, JavaScript. Thus, I can help support your clients.

Through my studying at Passerelles Numériques Cambodia with a lot of effectively courses, Virtual Company 1&2, Workshops and other society actions. It can improve my soft-skill including time management, problem-solving, teamwork, task management, leadership, communication, responsibility and confidence. Thus, I can work well with different people effectively.

I am welcoming the opportunity to discuss my qualification with you in personal. If you need an Internship with qualification as your announcement urgently, please do not hesitate to contact me by above phone number or email address. Thank you for the time and consideration.

I am looking for hearing from you soon!

Faithfully yours,

**Signature**
